§ 1 Preliminary remark / subject of the general terms and conditions

All offers, contracts, deliveries and services based on orders from our customers via our web shop www.move-ya.de, www.move-ya.com or at our web shop www.my-productionmusic.de are subject to these general terms and conditions.

The offer in our web shop is aimed equally at consumers and entrepreneurs, but only for final consumers, not for resellers. For the purposes of these general terms and conditions

- 1) a „consumer“ means any natural person who concludes a legal transaction therefore cannot be assumed to have either a commercial or a self-employed professional occupation (§ 13 BGB)
- 2) an „entrepreneur“ is a natural person, a legal entity or a partnership that, when the contract is concluded, is acting in the exercise of their commercial or independent professional activity (Section 14 (1) BGB). We would like to point out that self-employed fitness trainers are entrepreneurs within the meaning of section 14 (1) of the German Civil Code, even if they only work part-time as trainers.

Insofar different regulations apply to consumers and entrepreneurs in the context of a clause in these general terms and conditions, it specifically states in each case which regulations apply to consumers and which regulations apply to entrepreneurs. Otherwise, the regulations apply equally to consumers and entrepreneurs.

The subject of our General Terms and Conditions of Business is the sale of fitness CDs, DVDs, books and small equipment, as well as the sale of rights to use pieces of music (licenses) and downloads of files with audio and audiovisual content, which also via different types of purchase options (individual purchase, subscription, flat rate) which also can be agreed for. For the purposes of these general terms and conditions, the content offered for download is therefore referred to as an „article“. The contracts only come into effect on these general terms and conditions. Provisions agreed individually by contract within the contractual relationship take precedence over the general terms and conditions.

In the case of invalidity of individual provisions, the validity of the remaining provisions will not be affected thereof.

General terms and conditions of the customer do not apply, even if we do not contradict their validity in individual cases.

§ 4 Contract modalities physical products in the shop

www.move-ya.de / www.move-ya.com

§ 4.1 Conclusion of contract / prices

All products on our website and in our current catalogs offered will not be binding and will be subject to change. They are for information only and do not constitute a binding offer in the legal sense.

By placing an order (by letter, fax, e-mail, telephone or via online shopping cart in our online shop), the customer makes a binding and irrevocable offer to buy the product in question. We can accept the offer until the end of the second working day following the day of receipt of the offer.

We will send the customer a confirmation of receipt of the offer immediately upon receipt of the offer, which does not constitute acceptance of the offer. The offer is only deemed to be accepted by us as soon as we declare acceptance to the customer (by e-mail) or send the goods. The purchase contract with the customer only comes into existence with our acceptance.

In the case, that a product is not available at the time of the order, the customer will be informed accordingly. In this case, the contract Offer declared by the order is considered as not accepted.

We provide the customer with a confirmation of the contract, in which the content of the contract is repeated, on a durable medium (e.g. e-mail) within a reasonable period of time after the conclusion of the contract, but at the latest when the goods are delivered or before the service is started. This confirmation also contains the information specified in Art. 246a EGBGB, unless we made this information available to the customer on a permanent data carrier before the contract was concluded in fulfillment of our information obligations pursuant to Clause 312d (1) BGB.

After the conclusion of the contract, the text of the contract is not saved by us, so that it is not accessible to the customer via the customer account after the contract has been concluded.

The contract language is German.

All prices on our website and in our current catalogs include the applicable sales tax, plus the shipping costs specified in the „Shipping costs“ section. The customer has to bear any customs duties and similar charges.

§ 4.2 Delivery and service time / dispatch of physical goods / transfer of risk

The dispatch and delivery of physical goods is handled by third parties commissioned by us (shipping and logistics companies). The transfer of data is described in our privacy policy; compliance with the data protection guidelines is ensured by means of an applicable data processing contract.

The delivery is made from the warehouse to the address given by the customer. We are responsible for the on time and proper delivery of the goods to the contracted transport company. We are not responsible for a delay in delivery for which the transport company is responsible.

For goods in stock, delivery takes place within five working days (Monday to Friday, excluding public holidays) or less after order acceptance. Different delivery times for goods not in stock are specified for the respective product in the online shop as part of the ordering process. The timely handover of the goods to the shipping company is decisive for compliance with the delivery date.

Is the customer the consumer, the risk of accidental loss, accidental destruction or accidental deterioration of the delivered goods passes to the customer at the time the goods are delivered to the customer or the customer is in default of acceptance. In all other cases, the risk passes to the customer upon delivery of the goods to the transport company.

Any shipment ordered by the customer returned to MOVE YA! (for example, because it is not collected or acceptance is denied) MOVE YA! computes the return costs (e.g. the DHL return flat rate of currently EUR 4.00) as well as cash on delivery costs resulting out of this delivery plus a processing fee of EUR 5.00. The amount will be invoiced for the new delivery. When the customer exercises his right of withdrawal, the legal provisions of §§ 6.7 apply.

MOVE YA! is not obliged to insure or have the shipment insured against damage in transit, unless MOVE YA! accepted this in writing.

§ 4.3 Liability for defects

All goods from our online shop have legal warranty rights for consumers. The legal warranty rights exist for entrepreneurs, unless otherwise agreed below.

In the Case of a quality defect of the delivered goods, the customer of MOVE YA! must first request the removal of the defect or delivery of defect-free goods. However, if the customer is an entrepreneur, we can choose between remedying the defect or delivering a defect-free item, this choice can only be made towards the customer by notification in text form (also by fax or e-mail) within three working days of receiving notification of the quality defect. We can refuse the type of supplementary performance chosen by the customer if this is only possible with disproportionate costs.

In the Case of the subsequent performance failing, it being unreasonable for the customer or we refuse the subsequent performance, the customer is entitled to withdraw from the purchase contract, to reduce the purchase price, to claim for damages or demand replacement for the vain efforts according to legal regulation.

The warranty period is two years from delivery, if the customer is a consumer, otherwise twelve months from delivery.

The following applies, if the customer is an entrepreneur: The customer must carefully examine the goods immediately after they have been received. The delivered goods are deemed to have been approved by the customer if a defect is not reported to us (i) in the case of obvious defects within five working days after delivery or (ii) otherwise within five working days after discovery of the defect.

§ 4.4 Terms of payment

Unless expressly agreed otherwise, we deliver against SEPA direct debit, credit card payment, Pay Pal, Sofortüberweisung, Saferpay or DHL cash on delivery against a corresponding invoice.

All invoices are due for payment within the agreed payment terms, otherwise immediately net. A cash discount deduction requires the prior written agreement.

Decisive for the preservation of the payment terms is the day of the unconditional credit on the account of the company MOVE YA!

When MOVE YA! has the debit authorization to withdraw the amount from the customer's bank, and the amount is backcharged, customers will be charged with a fee of EUR 10.00. The outstanding amount, including the fee, must be transferred by the customer. Withholding payment or offsetting due to any existing counterclaims of the customer is excluded with the exception of claims recognized in writing or legally established.

§ 4.5 Retention of title

Any customer not reachable at the delivery Address when the goods are delivered or the customer does not pick up the package from the respective logistics partner within seven days, or if he or she refuses the acceptance of the goods, MOVE YA! is authorized to rescind the contract and cancel the order.

We reserve the right to enforce any further claims; e.g. due to non-fulfillment.

§ 4.8 Discounted selling prices

Products that are marked with discounted selling prices are only sold in normal commercial quantities. More than five reduced products cannot be ordered.

For MOVE YA dealers! only the agreed contract prices apply. Authorized dealer of MOVE YA! are not entitled to the delivery of an increased quantity of reduced goods.

The customer can choose whether to purchase the current edition of the product range and the two subsequent editions when the contract is concluded or whether to acquire the next three editions after the conclusion of the contract. In good time before each publication date of a new edition, the customer will be informed by e-mail which new publications will be sent with the next edition. If the customer does not want to receive the announced new releases with the next issue, but rather other „GEMA-free“ products, he can notify us by telephone or e-mail, up to seven days before the issue in question is sent. In the event of a delivery delay of more than two weeks, the customer has the right to withdraw from the contract. In this case, the provider is also entitled to withdraw from the contract. In doing so, he will immediately refund any payments already made by the customer.

Immediately after conclusion of the contract, MOVE YA! shall make the article purchased as an MP3 download available to the customer in the customer account as an MP3 download in the event of the purchase of individual or mix compilation licenses. § 5.4.4.5 Monetization

Subject to the respective scope of use of the acquired license by the licensee, the display of third party advertisements in connection with the provision of a Production on social media platforms such as YouTube that offer such opportunities (i.e. monetize, enable remuneration) is permitted as part of the license subscription or purchase. The licensee is obliged to register the production and/or a relevant social media channel with the licensor in advance.

One channel can be whitelisted per social media platform. Additional subscriber accounts are required for multiple channels. In addition to the whitelist entry of the licensee channel, a limited number of video URLs of third party channels can be whitelisted (e.g. productions that are published on the channels of partners).

MOVE YA! monetizes the unlicensed use of the music pieces on YouTube and/or other platforms. Without a correct whitelist, MOVE YA! is not able to distinguish a licensed customer production from an unlicensed use and therefore reserves the right to monetize customer productions that contain audio that is not correctly whitelisted.

For GEMA-free (SUISA-free/AKM-free, hereafter analogue) music provided by MOVE YA! in the protected customer area, all broadcasting rights are released for online platforms (YouTube, Facebook, etc.). MOVE YA! has no control over the recognition systems used by these platforms (Content ID Filter), which are not always 100% accurate. It is therefore possible that films may be copyright marked or partially muted despite legal licensing. The instructions on how to proceed in case of a copyright complaint on our homepage (FAQ) must be observed.

§ 5.4.5 Extended obligations of use

The disregard of this extended contractual obligation entitles the licensor to claim a contractual penalty of EUR 50 per verifiably used and unreported production.

§ 5.4.6 Exclusion of use

The use of the scope of services (license subscription) is limited to the term of the agreement. The use of the service when purchasing a license is unlimited in time. Productions already created at the end of the contract may continue to be used to the contractually agreed extent. A post-contractual use with a terminated subscription (as well as, if applicable, further productions with the archive material created) is excluded.

Further excluded from the scope of services:

- Uses that enable third parties to download and/or otherwise access the Audios or use them on an independent basis, including without limitation in digital templates or other applications,

§ 5.4.8 Granting of rights by third parties / declarations

The licensee may not assign or transfer his rights from license purchases or subscriptions, neither in whole nor in part, to third parties.

The licensee is not permitted to reproduce music titles or parts thereof for the purpose of stand-alone sale and re-licensing, either in existing or modified form (editing, arranging, re-recording etc.) or direct sub-licensing of the archive material to third parties. In the event of unauthorized disclosure, the licensee is fully liable for all damages incurred by the licensor as a result of this, as well as consequential damages within the scope of the usual legal provisions.

The licensee may NOT grant sub-licenses (sub-licenses) on his created work (film), nor may he use third parties (vicarious agents) to create the productions.

§ 5.4.9 Broadcasting rights

The Licensor owns all copyrights and ancillary copyrights in and for the music catalogue and is the sole owner of the rights to the audios.

The licensee does not acquire any ownership rights with regard to the contents of the catalogue by purchasing the license. The Licensor declares that he is entitled to dispose of all rights necessary for the contractual acts of use. If third authors are involved, the licensor shall ensure that the rights to license the publishing rights customary in the industry have been transferred to him analogously. The purchaser of the license is released from all copyright and ancillary copyright claims by musicians, composers, conductors or producers involved.

§ 5.4.10 Copyright / proof / infringement of rights

The licensee undertakes to observe the general protection regulations of copyright law. The licensee therefore undertakes to provide the legally required proof of copyright (naming of the licensor/work) when creating the productions („description clip“).

The licensor has the right to take civil and criminal action in case of violation of this license agreement. This applies in particular to the use of the audio without a valid license.

Use without payment of the license fee (purchase amount / monthly subscription fee) is expressly prohibited and may result in civil and criminal prosecution. These include, but are not limited to, claims for restraint of use, damages, surrender of profits and destruction of all illegally produced, distributed or intended to be illegally distributed copies that are in the possession or property of the infringer.

§ 5.7 Right of Withdrawal

The revocation options for consumers are based on the conditions of our revocation instruction according to § 6.

§ 6 Right of Withdrawal

Consumers have a right of withdrawal in accordance with the following cancellation policy. The conditions, deadlines and procedure for exercising the right of withdrawal vary, depending on the content of the relevant contract. Therefore, separate cancellation instructions are given for the contracts specified below:

For the delivery of one or more goods (eg CDs), the following „cancellation policy for goods deliveries“ applies. § 6.1

This also applies in the case of a contract for several goods that the consumer has ordered as part of a single order and that are delivered separately, as well as in the case of a contract for the delivery of goods in several partial consignments or pieces, or as part of regular deliveries by Goods (physical subscriptions).

- For the purchase of products in the „flat subscription“ for the „MY APP“, the special features of the cancellation policy apply. § 6.2
- The special features of section 6.2 apply to the purchase of the „MY Unlimited“ product.
- Separate regulations on the right of withdrawal apply to the purchase of digital products; see §7.1

Under „Exclusion or premature expiry of the right of withdrawal“ acc. Section 7 informs in which cases the consumer cannot revoke his declaration of intent or under what circumstances the consumer loses an initially existing right of withdrawal.

The so-called „sample cancellation form“ is provided via the following link for permanent storage, which the consumer can, but does not have to, use in accordance with the cancellation policy to exercise the right of cancellation.

§ 6.1 Right of withdrawal of goods

You have the right to cancel this contract within fourteen days without giving any reason.

The cancellation period is fourteen days from the day on which you or a third party named by you, who is not the carrier, has taken possession of the last goods or the last partial shipment or the last piece.

To exercise your right of withdrawal, you must contact us under following address:

And inform us of your decision to cancel this contract, by means of a clear statement (e.g. a letter sent by post, fax or e-mail). You can use the attached sample cancellation form, but this is not mandatory.

To meet the cancellation deadline, it is sufficient for you to send your communication regarding your right of cancellation before the cancellation period expires.

Consequences of Cancellation

If you cancel this contract, we will refund all payments we have received from you, including delivery costs (with the exception of the additional costs that result from a different type of delivery chosen than the cheapest standard delivery we offer) immediately and at the latest within fourteen days from the day we received the notification of your cancellation of the contract. For this repayment, we will use the same means of payment that you used in the original transaction, unless expressly agreed otherwise with you; under no circumstances will you be charged any fees for this repayment. We can refuse the repayment until we have received the goods back or until you have provided a proof that the goods have been returned, whichever reaches us first.

You must return or hand over the goods to us in the sealed original packaging, at the latest within fourteen days from the day you informed us of the cancellation of this contract. The deadline is met if you send off the goods before the period of fourteen days has expired. You bear the direct costs of returning the goods.

You only have to pay for any loss in value of the goods, if this loss in value, is due to the handling of the goods by you that is not necessary e.g: checking the nature, properties and functionality of the goods, and that can be traced back to you.

§ 6.2 Special Right of Withdrawal Product „MY Unlimited“ (for all Unlimited Products) for the MY APP

The right of withdrawal is fundamentally restricted when purchasing items via the download shop of digital content that is not on a physical data carrier.

This periodically expires in the case of such a contract if MOVEYA! has started to execute the contract after the customer has downloaded a product.

The product MY Unlimited technically offers the prerogative to block the access to the content, so that even after execution of the contract, the revocation can be declared in writing within a period of 14 days. All other conditions for the revocation of the consignment applies according to § 6.1.

§ 7 Exclusion Right of Withdrawal

Under „Exclusion or premature expiry of the right of withdrawal“, information is given in which cases the consumer cannot withdraw his declaration of intent or under what circumstances the consumer loses an initially existing right of withdrawal.

§ 7.1 Exclusion Right of Withdrawal Downloads

Every customer who is a consumer is entitled to revoke the offer in accordance with the special cancellation policy (see § 6), which is also communicated to him as part of the order on our website. However, we expressly point out the following reason, which extinguishes the right of withdrawal:

When purchasing items via the download shop, a contract is concluded for the delivery of digital content that is not on a physical data carrier. The right of withdrawal expires in such a contract if MY has started to execute the contract after the customer

1. has expressly agreed that MY begins to execute the contract before the cancellation period expires, and
2. has confirmed his knowledge that his consent loses his right of withdrawal upon execution of the contract (Section 356 (5) BGB).

The described consent and confirmation of perusal to the loss of the right of withdrawal will be requested from the customer during the ordering process and will be recorded in the contract confirmation after the contract is concluded.

After the conclusion of the contract, the text of the contract is not saved by us, so that it is not accessible to the customer via the customer account after the contract has been concluded.

§ 7.2 other exclusion or premature expiry of the right of withdrawal

You cannot revoke your declaration of intent in contracts for the delivery of goods that are not prefabricated and for the manufacture of which an individual selection or determination by you is decisive or that are clearly tailored to your personal needs.

You lose an initially existing right of withdrawal for contracts for the delivery of sound or video recordings or computer software in a sealed package if the seal was removed after delivery.
